## TIPS FOR TAKING THE TOUR

Last minute farms may be added, so we recommend checking our website: [mfcommunitycoalition.org/2025mgfarmtour](http://mfcommunitycoalition.org/2025mgfarmtour) before starting your tour!

Bring cash, credit cards, and a cooler! Farms will be selling a host of products, snacks, clothing, and more! Some are cash only, others take Venmo, and debit cards. (The cooler is to keep your food purchases fresh.)

Plan on visiting at least two or three farms!

After petting animals, please take time to use hand sanitizer provided at each farm.

Wear shoes instead of open toes sandals. You have no idea what you might step in! ALSO farms may ask you to disinfect your shoes to prevent farm-to-farm transmission of germs.

Bring sunscreen, hats, bug spray, and water.

**SORRY, NO PETS**
